## Hello! I'm Shivangi Suthar.

## Who Am I?

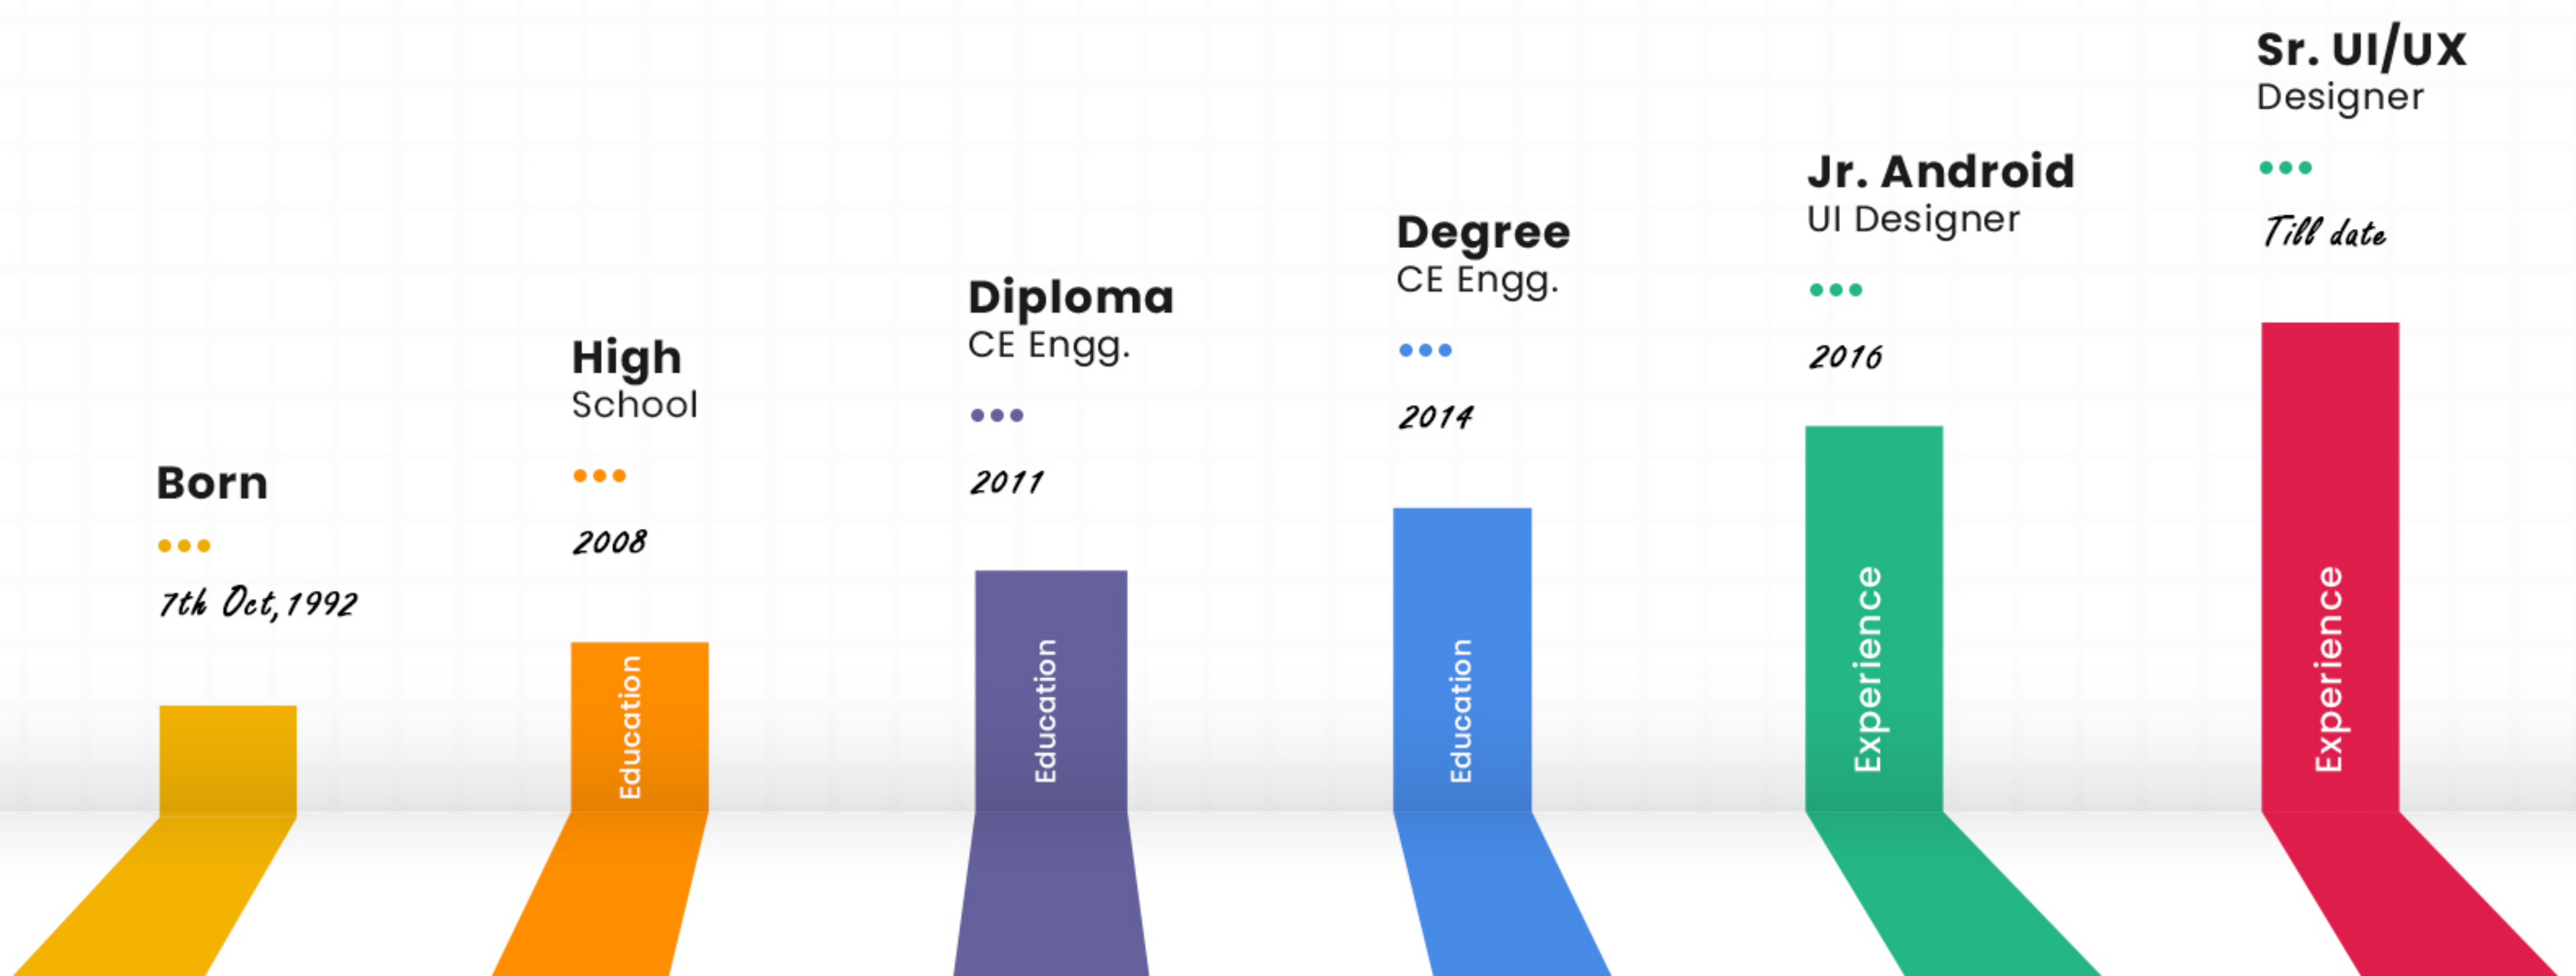

**UI/UX / Graphics / Web / Visual Designer**

I am passionate regarding design. I can never seem to stop creating anything. I believe colors has strength to directly influences soul. Throughout my life, I gaining great time management skill that allow me to do multiple work at once. I am multi-Designer to do many stuff but especially in UI/UX and Graphics designing. At all times, I prepared about trendy design and new things.

## Career objective

I am seeking a position within an organization as a User Experience (UX). I would like to work together with software or web design firms, communicating application design principles and strategies for ongoing development. My aim is to create better interfaces and experiences for the user, making the web, application's and technology easier for the user. I strongly believe that today's world needs more practical understanding and not only the theoretical one which is also important.
